Product Description

Product Description:

Our Tomato Fruit Juice is not your ordinary juice. It is a versatile ingredient that can be used in a variety of ways. You can use it as a base for your tomato sauce, as a flavor enhancer for your dishes, or as a refreshing drink on its own. The possibilities are endless!

Each 100ml serving of our Tomato Fruit Juice contains 220 KJ of energy, providing you with the energy boost you need to get through the day. It also has a low sodium content of only 6 mg per 100ml, making it ideal for those who want to watch their salt intake.

Our Tomato Fruit Juice is also a great source of carbohydrates, with 12.4g per 100ml. This makes it a perfect addition to your pre-workout meal or as a post-workout recovery drink.

Our Tomato Fruit Juice is perfect for those who love the taste of tomatoes but want a more convenient way of consuming them. It is also a great alternative to the traditional Tomato Stir Juice or tomato honey, providing you with a unique and delicious taste that you won't find anywhere else.

So if you're looking for a healthy and delicious way to incorporate tomatoes into your diet, look no further than our Tomato Fruit Juice. Try it today and experience the refreshing taste of ripe and juicy tomatoes in every sip!

Drinks with different contents can be customized according to customer needs.

330ml-500L packaging available.

Applications:

The Tomato Stir Juice is perfect for those who are looking for a healthy and delicious alternative to sugary drinks. With only 220 KJ per 100ml and 0g fat per 100ml, it is a guilt-free way to stay hydrated throughout the day. In addition, with a nutrient reference value of 3% for energy and only 6mg sodium per 100ml, ARKHUM tomato juice is an excellent source of energy and hydration without the added salt.

Whether you are looking for a quick and easy breakfast option or a refreshing drink to quench your thirst after a workout, ARKHUM tomato juice is the perfect choice. Its rich, tangy taste is sure to satisfy your taste buds, making it an ideal drink for any occasion. Simply pour a glass and enjoy!

The versatility of the Tomato Stir Juice makes it a great addition to any meal. It can be used as a base for soups and sauces, or as a refreshing drink to accompany your favourite dishes. Its unique flavour and texture make it a popular choice for those who want to add a healthy and nutritious twist to their meals.

In addition, ARKHUM tomato juice is perfect for those who are looking for a convenient way to increase their daily intake of vitamins and minerals. Made from 100% natural ingredients, it is a great way to get your daily dose of vitamin C, potassium, and other essential nutrients that are essential for maintaining good health.

Overall, ARKHUM tomato fruit juice is a delicious and nutritious drink that can be enjoyed by all. Whether you are looking for a refreshing drink to quench your thirst, or a healthy and nutritious addition to your meals, ARKHUM tomato juice is the perfect choice.
